

# Term to Age 100 Life Insurance

Financial protection for those you love most

## THINK ABOUT THIS

44% of people would feel a financial impact within six months of losing their household's primary wage earner. 28% said they would be affected within just one month<sup>†</sup>

More than 40% of Americans with life insurance coverage wish they had purchased their policies at a younger age<sup>†</sup>

Over half of U.S. households rely on dual incomes (54%), and, for many, losing one income could be devastating to household finances<sup>††</sup>

Dealing with an unexpected death is difficult enough – you don't want to leave behind overwhelming financial obligations as well. With a Term Life Insurance policy from Allstate Benefits, your family can still realize all the goals and dreams you shared together.

### Here's How It Works

- Select the coverage that's right for you and your family
- Then if you pass away, your beneficiary files a claim
- A lump-sum cash benefit is direct deposited or a check is mailed and can be used however they wish

### Protecting Your Finances

With planning, the death benefit can pass to your beneficiaries free from state or federal estate taxes. Consult with your tax advisor for specifics.

### Meeting Your Needs

- Guaranteed minimum death benefit is level for 5 years<sup>1</sup>
- Premiums are affordable and remain level to age 100 unless you make changes to your coverage
- Spouse and children may be covered

<sup>†</sup>2020 Insurance Barometer Study, LIMRA. <sup>††</sup>U.S. Bureau of Labor Statistics, *Consumer Expenditure Survey, ibid.* <sup>1</sup>Current non-guaranteed death benefit is projected to remain level to age 100.

## Why Term Life Insurance might be right for you

Have you ever experienced a life-changing event and worried that you would not have the finances in place to handle it if you lost your spouse? It may have crossed your mind, but you put it off because you did not want to think about the unthinkable. However, if you have a spouse, children, or even grandchildren, that is reason enough to think about planning for their future today. Here are some additional reasons to consider:

- **You can't predict when you'll die, whether from a disease, accidental injury or natural causes.** Upon your death, Term to Age 100 can provide a lump-sum cash benefit directly to your designated beneficiary
- **You live on a budget, and purchasing traditional permanent life insurance would be costly.** Term to Age 100 is affordably priced
- **You want a Term Life policy that offers coverage for more than 5, 10 or 20 years.** Term to Age 100 offers coverage that can be with you until age 100
- **You want affordable coverage that goes with you should you leave your employer.** You can take the Term to Age 100 coverage with you; see your Certificate of Insurance for details
- **Your family may need additional money to help with health care related bills after you die.** Term to Age 100 provides a lump-sum death benefit that can be used to help cover these expenses
- **You're the primary wage earner and your family would have difficulty living without your income.** If you die before age 100, Term to Age 100 offers your designated beneficiary a lump-sum death benefit that is guaranteed for the first five years of coverage and is priced to remain level under current experience factors
- **You have recurring monthly debts such as a mortgage, car payment or credit cards.** Term to Age 100 provides a lump-sum death benefit that can be used to help cover monthly expenses
- **You have children under 18, and they require money for daily living expenses such as food, clothing, school sports and college education.** Term to Age 100 provides a lump-sum death benefit that can be used to help with daily living expenses
